

# MIDWAY INDUSTRIAL SYSTEMS

A Division of Midway Industrial Supply

## SPRAY BOOTHS, BLAST BOOTHS, WASH BOOTHS & AIR MAKE-UP UNITS

- All sizes and types of spray booths for wood coatings, paints & adhesives
- Custom designed blast booths and wash booths
- Air make-up units balanced to provide the right amount of replacement air, engineered controls and installation
- Booth filters, flame resistant floor paper, booth coater & masking paper in stock

Drive through cross-draft spray booth

Open face cross-draft spray booth

Blast booth with rubber lined walls, crane slot, centrifugal fan and dust collection module

Down draft booth with doors at both ends and a ceiling mounted boom to keep hose lines off the floor

We supply spray booths, air make-up units, blast booths or wash booths individually and as part of complete finishing systems. Every time we provide a spray booth or complete integrated system, our goal is the same: *Earn your business for years to come.*
