Midway Industrial Systems

CUSTOMER SUPPORT

For over 45 years we have provided expertise, knowledge and prompt service to our customers. We keep our customers up and running no matter what the problem or the hour of the day or week. When training, troubleshooting or re-training is called for, we make sure our customers receive the knowledge and information they need. From an extensive parts inventory, Midway routinely ships the same day an order is received. We appreciate your business!

An order placed today by 3:30 pm will ship today as long as products are in stock —

— Jeremy picks orders from our large parts inventory for same-day shipment.

Equipment repaired by Rich and John operates and looks like new when it leaves Midway's shop —
